

HOME-ARP Overview and Public Input Hearing

HUMAN SERVICES
CITY OF SAN ANTONIO

December 1, 2021

Agenda

- HOME-ARP Program Overview
- Qualifying Populations
- Eligible Uses of Funds
- Community Homeless Strategic Plan Recommendations
- Timeline & Next Steps
- Open discussion

HOME-ARP Program Overview

- American Rescue Plan Act (ARPA) included \$5 billion nationwide to be allocated by HUD through HOME program
- City of San Antonio received \$20 million
- Funding must primarily benefit “qualifying populations”
- Funding must be spent by September 2030

HOME-ARP Qualifying Populations

- Currently experiencing homelessness
- At risk of homelessness
- Fleeing domestic violence
- Others requiring assistance to prevent homelessness or at great risk of housing instability

HOME-ARP Eligible Uses of Funds

- Affordable rental housing (acquisition, construction, or rehabilitation)
- Tenant-based rental assistance
- Supportive services (homelessness prevention, case management, legal services, childcare, education services, and more)
- Non-congregate emergency shelters (acquisition, construction, or rehabilitation)

Strategic Plan Priority Recommendations

Expand Street Outreach Efforts & Coordination

Increase Affordable & Specialty Housing Options

Coordinate Leadership Impact Group

Connect Unsheltered through Low-Barrier Options

Increase Consumer Engagement and Equity

Conduct Frequent User System Engagement (FUSE)

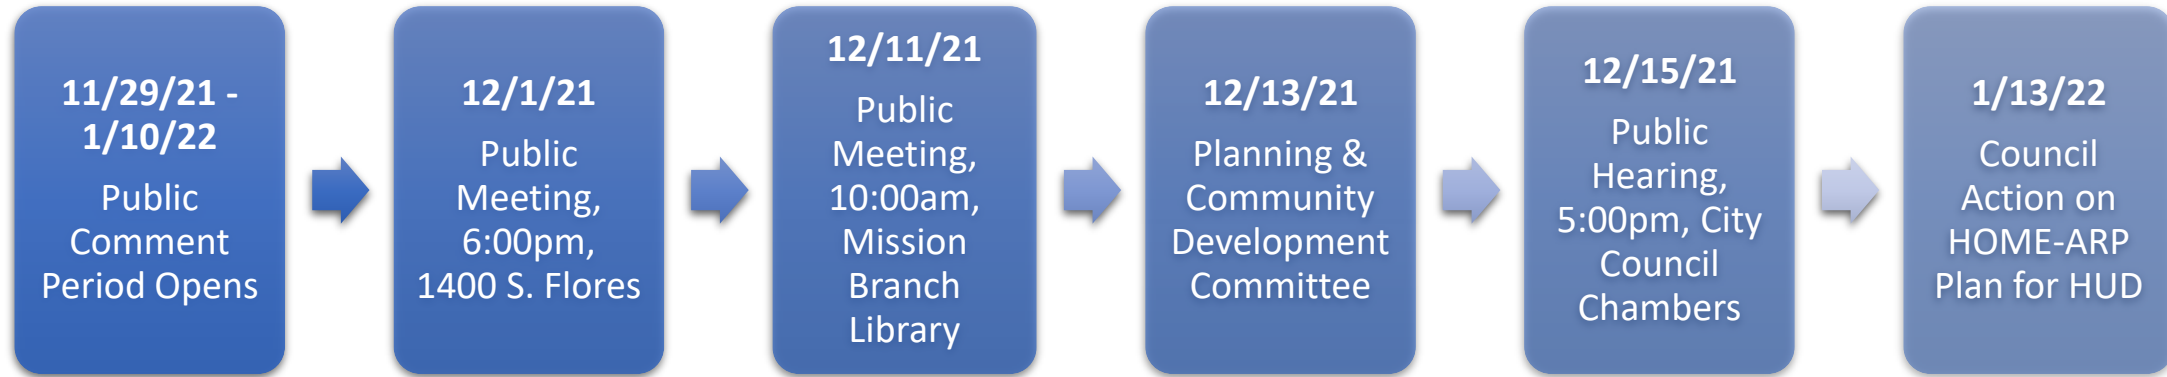

Strategic Plan to Respond to Homelessness in San Antonio and Bexar County
